Any these would be the stores that are highlighted over 90%. the rest are below 90% but also have never received an increase.

Do you want just the highlighted or all to get the 50% increase?

We have quite a few locations at 90% plus on base code Oxycodone here and its only the 25<sup>th</sup>. Can we look at these locations and do an initial increase on any that did not get one?

Hi Team,

Please see the attached daily CSMP report for Rite Aid. Let me know if we need to make any adjustments to the current thresholds.

Thank you,
